Offering Memorandum Disclaimer

This Confidential Offering Memorandum ("Memorandum") is being delivered subject to the terms of the Confidentiality Agreement (the "Confidentiality Agreement") signed by you and constitutes part of the Confidential Information (as defined in the Confidentiality Agreement). It is being given to you for the sole purpose of evaluating the possible investment in the subject property mentioned herein ("the "Project"), and is not to be used for any other purpose or made available to any other party without the prior written consent of the Seller of Record ("Managing Member"), or its exclusive broker, Marcus & Millichap and JLL ("Exclusive Broker"). This Memorandum was prepared by Exclusive Broker based primarily on information supplied by Managing Member. It contains select information about the Project and the real estate market but does not contain all the information necessary to evaluate the Project. The financial projections contained herein (or in any other Confidential Information) are for general reference only. They are based on assumptions relating to the overall economy and local competition, among other factors. Accordingly, actual results may vary materially from such projections. Various documents have been summarized herein to facilitate your review; these summaries are not intended to be a comprehensive statement of the terms or a legal analysis of such documents. While the information contained in this Memorandum and any other Confidential Information is believed to be reliable, neither Exclusive Broker nor Managing Member guarantees its accuracy or completeness. Because of the foregoing and since the investment in the Project is being offered on an "As Is, Where Is" basis, a prospective investor or other party authorized by the prospective investor to use such material solely to facilitate the prospective purchaser's investigation, must make its independent investigations, projections and conclusions regarding the investment in the Project without reliance on this Memorandum or any other Confidential Information. Although additional Confidential Information, which may include engineering, environmental or other reports, may be provided to qualified parties as the marketing period proceeds, prospective purchasers should seek advice from their own attorneys, accountants, engineers and environmental experts. Neither Exclusive Broker nor Managing Member guarantees the accuracy or completeness of the information contained in this Memorandum or any other Confidential Information provided by Exclusive Broker and Managing Member. Managing Member expressly reserves the right, at its sole discretion, to reject any offer to invest in the Project or to terminate any negotiations with any party at any time with or without written notice. Managing Member shall have no legal commitment or obligations to any prospective investor unless and until a written sale agreement has been fully executed, delivered and approved by Managing Member and any conditions to Managing Member's obligations thereunder have been satisfied or waived. Managing Member has retained Exclusive Broker as its exclusive broker and will be responsible for any commission due to Exclusive Broker in connection with a transaction relating to the Project pursuant to a separate agreement. Exclusive Broker is not authorized to make any representation or agreement on behalf of Managing Member. Each prospective investor will be responsible for any claims for commissions by any other broker in connection with an investment in the Project if such claims arise from acts of such prospective investor or its broker. This Memorandum is the property of Managing Member and all parties approved by Managing Member and may be used only by parties approved by Managing Member. No portion of this Memorandum may be copied or otherwise reproduced or disclosed to anyone except as permitted under the Confidentiality Agreement.

INVESTMENT OVERVIEW

Site Plan

NOTE: This site plan is for representative purposes only. Property boundaries must be independently verified by potential purchasers.

INVESTMENT OVERVIEW

Replacement Cost

- ▶ **Priced Below Replacement Cost:** The subject property is priced well below the estimated replacement cost of nearly \$11 million, providing immediate built-in value.
- ▶ **Bypass Development Risks:** Skip the challenges of ground-up construction, including material cost volatility, labor shortages, and extended timelines. This turnkey asset delivers stability from day one.
- ▶ **Hedge Against Inflation:** Rising construction and material costs continue to push replacement values higher—this acquisition locks in a premium asset at yesterday's pricing.

MARKET OVERVIEW

OCVIBE - A \$4 Billion Development Project

Spanning 100 acres across the heart of Anaheim, OCVIBE is an immersive entertainment district that redefines the downtown experience for Orange County.

OCVIBE is a transformative \$4 billion, 100-acre mixed-use development in Anaheim, California, designed to redefine the downtown experience for Orange County.

Spearheaded by the Samueli family (owners of the Anaheim Ducks), the project is privately funded and strategically located around the Honda Center and ARTIC transit hub.

Key Features:

- ▶ **Entertainment & Venues:** The district will feature a 5,700-seat concert hall, a 2,000-seat theater, and additional venues for live performances and private events.
- ▶ **Dining & Market Hall:** Plans include over 28 new restaurants, 6 bars, and a vibrant market hall showcasing local artisans and global cuisines.
- ▶ **Sustainability Initiatives:** The development emphasizes sustainability with plans for 9 megawatts of on-site solar power, 3 miles of connected walking trails, and LEED-certified buildings.
- ▶ **Office & Commercial Space:** The development includes 1.1 million square feet of office space, featuring a new 325,000-square-foot building, and 230,000 square feet of commercial space.
- ▶ **Green Space & Parks:** The project dedicates 20 acres to public open space, including a five-acre riverfront park, promoting community gatherings and events.
- ▶ **Transportation & Accessibility:** OCVIBE is transit-oriented, situated near the ARTIC transit center, and will provide nearly 11,000 parking spaces to accommodate visitors.

Project Timeline

- ▶ **2025:** Two multi-level parking garages open near Honda Center, improving access and traffic flow for events.
- ▶ **2026:** Enjoy new options for dining and entertainment. Market Hall, five restaurants, a 5,700-seat venue, and Urban Park debut, launching OCVIBE's first phase.
- ▶ **2027:** Nightlife comes alive with exciting new offerings. A 2,000-seat theater, 300-capacity club, and Honda Center's new South Plaza bring nightlife to the district.
- ▶ **2028:** Expanded green spaces and chic hotels. Meadow and Neighborhood Parks open, the first hotel is completed, and a pedestrian bridge connects ARTIC.
- ▶ **2029+:** Stay a while longer or call OCVIBE home. Final phase includes a second hotel, more parking, the North Plaza, and the first move-in ready residences.

MARKET OVERVIEW

The City Of Anaheim

Anaheim, the most populous city in Orange County, is located approximately 26 miles southeast of Downtown Los Angeles.

With a population of over 345,000 residents, Anaheim is a dynamic, economically diverse city anchored by world-renowned tourism, major league sports, expansive entertainment venues, and a growing tech and healthcare employment base.

Anaheim offers a strong consumer base, with an average household income of approximately \$93,000, and more than 35% of households earning over \$100,000 annually.

The city features a balanced mix of residential neighborhoods, commercial corridors, and employment centers, making it one of Southern California's most resilient and strategically located retail markets.

The subject property is strategically located near the intersection of State Route 57 and Ball Road — just minutes from Disneyland Resort, Angel Stadium, and the Anaheim Convention Center.

This central location places the subject property at the heart of the city's economic and tourism engine, where retail demand is fueled by constant foot traffic and freeway accessibility.
